Start/Finish:

Hafren Forest, Sign posted off the A44, Llangurig to Aberystwyth Road.

Beginners Class:

In an effort to attract more newcomers to the sport, we have this year incorporated a new beginners class, this will cater for riders on both trialbikes and sportsbikes. Riders will have to cover shorter mileage, probably 2 laps instead of the 3 laps for the other classes, so ideal for those who don't feel capable or want to cover the full distance. All those that group themselves between 8 – 10 on the grading scale on the entry form will automatically be put into the beginners class.

Entries:

Entry fees of £60 will not be returned unless the event is cancelled or the rider gives a valid reason, i.e. Doctor's note, at least 7 days prior to the event. In such cases £10 will be deducted to cover costs. Entries received after the closing date will be subject to a £5 surcharge. **Entries to be received by the Secretary of the Meeting (Address on front of Regulation) before 12th October when full (250 Riders).** The entry fee must be enclosed plus **3 Stamped Address Envelopes**. To compete, an ACU licence is required. You must produce your licence at signing on, if you fail to do so you will be required to purchase a one event licence at the charge of £10. If you are sending several entries together, please make sure the correct postage is paid for, as underpaid envelopes are NOT collected from the Post Office.

Results will be available at www.enduronews.com No results will be send via post.

Acknowledgement of the risks of motorsport

Motorsport is an extremely dangerous activity. It is important that all competitors think very carefully about the risks they are undertaking whenever they compete.

It must be recognised by all competitors that there will be accidents and that a number of competitors may die, whilst others may be permanently disabled or sustain serious injuries **and it could be you**. All competitors must appreciate that they participate in motorsport entirely at their own risk.

One of the main risks in motorsport is obviously speed. Situations which would not give rise to major danger at low speed can have extremely serious consequences at high speed and in a competitive environment.

While the organisers will do their reasonable best to make the event as safe as possible, there will inevitably be occasions when mistakes are made. It must, however, be recognised by all competitors that where an accident occurs in such circumstances, any fault on the part of the organisers will not be the principal cause of any serious injury sustained. The dominant cause of any serious injury will be the fact that the accident happened at speed in a competitive environment. The risk of accidents is one of the inherent risks involved in motorsport and every competitor must consent to this.

The ACU is not prepared to accept personal injury claims (other than covered under the Personal Accident Policy) brought by competitors who have willingly participated in what they know to be a dangerous sport. Any claims will be vigorously defended, and this form will be used as evidence of the competitor's acknowledgement of the risks inherent in motorsport and that the dominant cause of any serious injury will be his/her voluntary decision to engage in competitive sport rather than any alleged negligence by the ACU or any other party involved in staging the event.

Declaration

I... the parent/person with parental responsibility of (*Child's name*)

hereinafter referred to as 'my child' accept that my child may participate in the aforementioned meeting. I declare as follows:-

I have read and understood the "Acknowledgement of the risks of motorsport" which appears above. I appreciate the dangers inherent in motorsport which include the risk of death or permanent disablement.

The minor does not suffer from any physical, medical or mental disability which would make it unsafe for him/her to participate as a competitor. I accept that it is my responsibility to ensure that the minor and I have read and understood the National Sporting Code of the ACU, Standing Regulations, Supplementary Regulations and Final Instructions subsequently issued and Entry Forms and that he/she will comply with them. I accept that photographs or video footage may be taken of my child by officials dealing with safety issues or accident investigations. Photographs may also be taken for promotional purposes and may appear on the ACU website or in ACU publications.
